## **ABOUT THE REDITV NETWORK**

The REDITV Network is the internet’s one place to go to select and watch Area-Specific Video programs.

From local youth sports events, religious programs, entertainment, real estate, etc., to major city events or national events, the REDITV Network broadcasts and keeps the events available for “anytime viewing” at [www.reditv.net](http://www.reditv.net).

Programs on the REDITV Network are controlled, “Family Friendly”, and may be viewed absolutely for FREE.

Visitors to [www.reditv.net](http://www.reditv.net) simply select the State, City, Area and the Video to be viewed, and then sit back and watch the video on their computer screen.
